

S1 72 Mount Offy Cam Drive Adaptor
Fits standard 4 bolt fuel pump registers

Mount Configurations
All AVIAID Mounts are integral to pump. No adapters are required. Separators are .16" or .25" wide. Mount drawings are full size. "Xxxx" indicates hex size in 1/16ths. "xXxx" indicates separator width (1 = .16", 2 = .25", 5 = .50"). "xxXX" indicates Mount #.
