

S1 85 426 Chrysler Hemi/440 Wedge  
2 gear pump front mount body  
Requires 426 Block Adapter

Mount Configurations  
All AVIAID Mounts are  
integral to pump. No  
adapters are required.  
Separators are .16" or  
.25" wide. Mount drawings  
are full size. "Xxx" indicates  
hex size in 1/16ths. "xXxx"  
indicates separator width (1  
= .16", 2 = .25", 5 = .50").  
"xxXX" indicates Mount #.
