

S2 #47 Mount  
KSE Bolt Pattern w/  
Integral Regulator

Mount Configurations

All AVIAID Mounts are integral to pump. No adapters are required. Separators are .16" or .25" wide. Mount drawings are full size. "xxx" indicates hex size in 1/16ths. "xXxx" indicates separator width (1 = .16", 2 = .25", 5 = .50").

"xxXX" indicates Mount #. 4, 5 or 6 stages to order.
